

Dear Hirer/User

Thank you for your patience as we make plans to reopen the sports centre. We are currently re-advertising for a caretaker and hope to have someone in position as soon as possible.

Whilst we advertise we are looking to appoint an agency to carryout essential health and safety checks and cleaners to ensure we keep the site safe. We are unable to reopen without this. You will be aware that the sports centre caters for the needs of local schools and the community. This poses a particular challenge in terms of management of risk of COVID transmission. The management committee are looking to change the times for community use to allow for cleaning between sessions. The following plan is proposed:

Monday-Friday

9am-4.30 School Use
4.45-5.45 Cleaning (contract)
5.45-8.00 Community Hire limited to one hirer for whole slot.
8.15-9.30 Cleaning & Lock up (RRSC staff)

Saturday and Sunday

9.00-12.30 Community Hire
12.30-1.30 Cleaning (contract)
1.30-6.30 Community Hire
6.30-8.30 Cleaning & Lock up (RRSC Staff)

As the Centre is a not for profit organisation, we have had to limit weekday evening bookings to one hirer per session. Within this time they can divide for separate groups/classes.

Weekend hire is limited to one hirer for the morning slot with allowance for cleaning in order to accommodate a different hirer for the afternoon slot.

The playing field can be hired separately to those hiring the main sports hall, however this is restricted from use of centre facilities such as toilets.

As we have needed to increase cleaning of the facility, in order to cover this the hire charges are now as follows:

Sports Hall (inc Changing Rooms)	£70	Weekday Evening Hire inc. Cleaning 5.45-8.00pm
Football Pitch excl Use of Hall	£40	2 hour session
Football Pitch inc use of changing room and Hall	£60	2 hour session
Mini Football Pitch, exc Changing Rooms	£20	2 hour session
Mini Football Pitch, inc Changing Rooms and Hall	£60	2 hour session
Full Field including changing room and hall	£85	2 hour session

We will be using an online booking form for users to complete which can be found [here](#).
